- 1. The buyer issues to the ICPO the company profile and copy of the buyer's passport, also copy of company registration.
- 2. The seller issues The Purchase and Sale agreement (contract), commercial invoice (CI) for buyer's review and signature. And send back to seller within 48 hours.
- 3. The seller registers and legalizes the signed purchase and sale agreement contract and provides the registered, legalized, and notarized SPA, including the POP, as indicated below.
 - Certificate of Origin
 - Supply commitment
 - Product passport
 - Product availability statement
 - Product export license for assignment issued by the Ministry of Energy
 - Product Assignment Certificate Issued by the Ministry of Energy
 - Company Registration Certificate
- 4. After confirmation of the POP documents, the buyer's bank issues SBLC-MT760 or DLC MT700 (Unconditional, transferable) from the top 50 banks to cover the invoice value equivalent to one month, valid for the entire contract period (365 + 1 days) NOTE: if the buyer does not issue SBLC MT760 / DLC MT700 within 7 working days, alternatively, Buyer shall make a security deposit of 2% TT Wire of total monthly supply value to Seller's trust bank account as return to guarantee the allowance that will be deducted from the first shipment.
- 5. The seller will send the complete POP and the shipping documents through SWIFT from bank to bank, as follows:
 - Product allocation export permit
 - Certificate of ownership of the product assignment title
 - Transneft Contract for the transport of the product to the loading port
 - Port storage contract
 - Charter contract to transport the product to the port of discharge
 - Storage deposit receipt
 - SGS Quality and quantity certificate

IMPORTANT

This Corporate FCO/SCO is carried out by the studies and development that we are at this moment because of the effects of the War and conflict. It could undergo changes because the bank stock markets are down, and the prices are updated every hour. We apologize, it is the reason why you keep full communication with your sales agent.

If there is a discontent for you. You can travel to our offices in Panama or Qatar where we can currently meet large amounts for shares with Rosneft 36% Refining North Sea petroleum product. To assist you with our lawyers. Thank you.

THE ENTIRE PROCESS IS FREE, AT NO COST. Thanks.
