FOB (DIP/PAY) TRANSACTION PROCEDURE:

FOB (SPOT / DIP & PAY- ROTTERDAM /HOUSTON/RUSIA) AT NEGOTIABLE

1. Buyer issues purchase order (ICPO) accompanied with company profile, banking details to Seller along with company registration and passport copy of an in charge director.
2. Seller issues Commercial Invoice (CI) to Buyer. Buyer returns signed CI to Seller along with Buyer's Tank Storage Agreement, NCNDA & IMPFA.
3. Seller issues Authorization to Sell & Collect (ATSC) to Buyer. 4. Seller pays Buyer's tank farm to insert Seller's name to Buyer's TSR. If Buyer has no previous activated TSR, Seller pays 4-5 days to Buyer's tank farm to confirm injection readiness towards the transaction.
5. Buyer contacts its tank farm to provide Seller with a Confidential Agreement in conformity to safety, allowance and readiness to receive the product at the paid prepared storage tanks for seller to announce injection schedule.
6. Seller injects the product to prepared storage according to said schedule and submits full POP to buyer (via email/courier) consisting of:
 - a. Fresh SGS report & Fresh Injection Report, c. Unconditional Dip Test Authorization (UDTA), d. Certificate of Origin, e. License or permit for export (by the Russian Energy Department),
 - f. Statement of Product availability, g. Refinery's Product Passport / Title Holder Certificate, h. Authority to Verify.
8. Buyer makes 100% product payment via MT103/TT within 48 hours, Seller transfers ownership title. Buyer lifts the product or extends product storage.
9. Upon mutual satisfactory, parties shall sign long term supply agreement.
