Service.

BUR SERVICE LLC is a petroleum distribution company serving Corpus Christi, Texas, and South Houston. Including other European countries. Established in 2013, we hit the ground running with a motivated approach to finding the right solution for our RWA customers.

As a multi-generational petroleum marketer, we have established many relationships with suppliers, brokers, customers, and government agencies. Our goal is to provide the best service available, at competitive rates, and with a customer-friendly attitude. Large or small scale solutions have guided our efforts in "Always giving our customers more than they expect".
