Dear Sir,

Good day, permit me to formally introduce myself to you, my name is ALEXY IGORVICH (Sales Director), from OOO "KAPITAL INVEST"- Oil Refining Company, whose main activity is focused on developing and manufacturing high-quality and cleaner transport fuels and its implementation. The main types of products are - **GASOLINE, DIESEL FUEL, HEATING OIL, FUEL OIL, JET FUEL, MARINE DIESEL, BASE OIL, BITUMEN, SOLVENTS, LPG, A WIDE RANGE OF LUBRICANTS**, as well as components for the production of motor fuel. Competitive advantage provided by its own production, the availability of the retail network in Russia and the Baltic countries, as well as its own fleet to transport crude oil and petroleum products.

OOO "KAPITAL INVEST" actively began the process of updating the network stations of the North-West Russia Federation. In addition to the construction of sixteen new stations, it also included a change in the visual image of the ten existing stations and improving the standards of services in accordance with the new concept of OOO "KAPITAL INVEST" together with acquired and newly constructed network of filling stations OOO "KAPITAL INVEST" in Northwest Russia will be at the beginning of 2021 consists of 103 gas stations.

We required an official mandate company outside Russian federation, other countries as our representatives, to various buyers on global. If our proposal suite your company kindly get back to us with an acceptance letter.

"Our goal is to strengthen OOO "KAPITAL INVEST" as one of the leading brands of retail petroleum products market in the whole world. A wide network of service delivery, the updated concept of retail space, along with excellent service and quality of the goods and services are the key factors by which we retain in the future position of the most respected and attractive to customers of the player market,

Yours Faithfully,
ALEXY IGORVICH (Sales Director)
